

Enprotek Mühendislik, Ankara'da kurulmuş olan bir proje ve müşavirlik şirkettir.

Gerek yurtiçi gerekse yurtdışı kaynaklı projelerde başarıyla yer almış olan Enprotek Mühendislik, başta tasarım olmak üzere fizibilite, maliyet analizi, proje yönetimi ve danışmanlık gibi mühendislik hizmetlerini sunmaktadır.

Faaliyetlerimizin odağında kaliteli ürünü en hızlı ve en uygun maliyetlerle müşteriye sunmak ve yüksek müşteri memnuniyeti elde etmek bulunmaktadır.

Bu prensiple çalışmalarını sürdüren Enprotek Mühendislik, her projede daha da ileriye gitmek ve alanında öncü şirketlerin başında gelmek istek ve kararlılığındadır.

Enprotek Engineering is a project and consultancy company which has been established in Ankara, TR.

Being involved in many domestic and international projects, Enprotek Engineering is active in fields such as engineering design as well as feasibility, cost estimating, project management and consultancy.

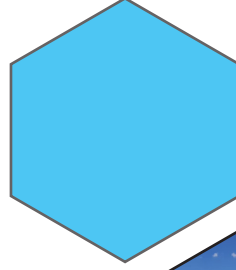

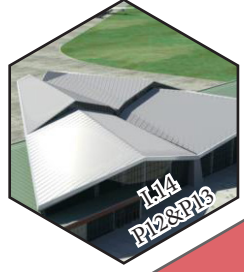

We focus on supplying best quality product at a time and cost efficient manner and gain high customer reputation.

Working in this principle Enprotek Engineering is keen and confident on going further with each project and becoming a pioneer

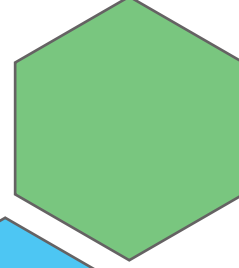

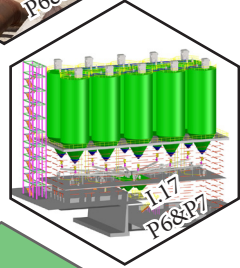

Endüstriyel Tesisler

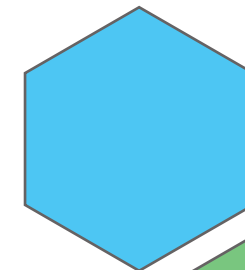

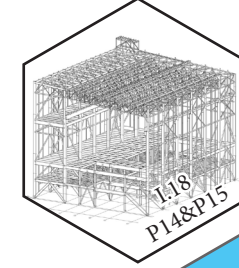

Petrol & Doğalgaz Tesisleri
